

QUALITY OF CERAMICS

Due to the inherent properties of ceramic ware produced by foreign manufacturers, there may be small imperfections or irregularities which should not be perceived as defective. Variations in materials, firing temperatures and colour pigments may result in variations in glaze and imprint colours. These variations must be considered acceptable.

PLEASE NOTE: Prior to printing the artwork will be adjusted to match the contour of the product.
 Artwork at the top of the product will have a different curve than artwork near the bottom.
 Due to the shape of this product - circular images may become slightly oval when the art is curved.
